LimeExchange Introduces Revenue Sharing in Affiliation Program

New York, July 27, 2009 - LimeExchange, the online services marketplace from Lime Labs LLC U.S. , today announced the launch of a New Affiliation Program that offers straight up Revenue Sharing along with a Reward for each referral.

“LimeExchange is committed to its users and is always on a lookout to provide increased earning opportunities to all while promoting Exchange of digital services. Our new Revenue Sharing Affiliation Program aims to share with our users openly, we provide our users a chance to earn up to 50% of our revenue and also earn straight up from quality referrals” said John Enright, VP Marketing, LimeExchange. “From Posting a job to making any purchase on LimeExchange, LimeExchange would share up to 50% of its revenue with the referrer and continue to share revenue for the lifetime of the users activity on LimeExchange”, he further added.

Any user on LimeExchange can use any of the tools available from Links, Banners, RSS, Widgets and Customized Invitations to participate in the Affiliation Program and track their earnings completely from within LimeExchange itself. Every referral earns you \$0.1, Every referred featured project posted earns you \$5. Every purchase activity by your affiliate earns you 50% revenue share first time and 10% lifelong or till Affiliation Program ends.
